

The background features abstract, overlapping green geometric shapes, primarily triangles and polygons, in various shades of green, creating a dynamic and modern look. The shapes are layered, with some appearing more prominent than others, and they extend from the edges of the frame towards the center.

High Adventure 2023

Alaska and Space Camp

Alaska

Activities

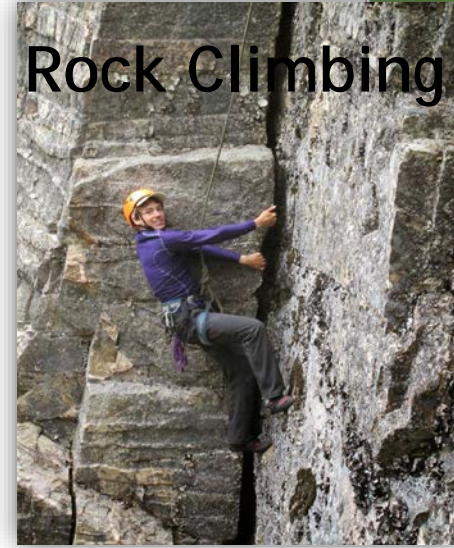

Sea Kayaking

Backpacking

Rock Climbing

Mountaineering and Ice Climbing

White Water Rafting Class IV

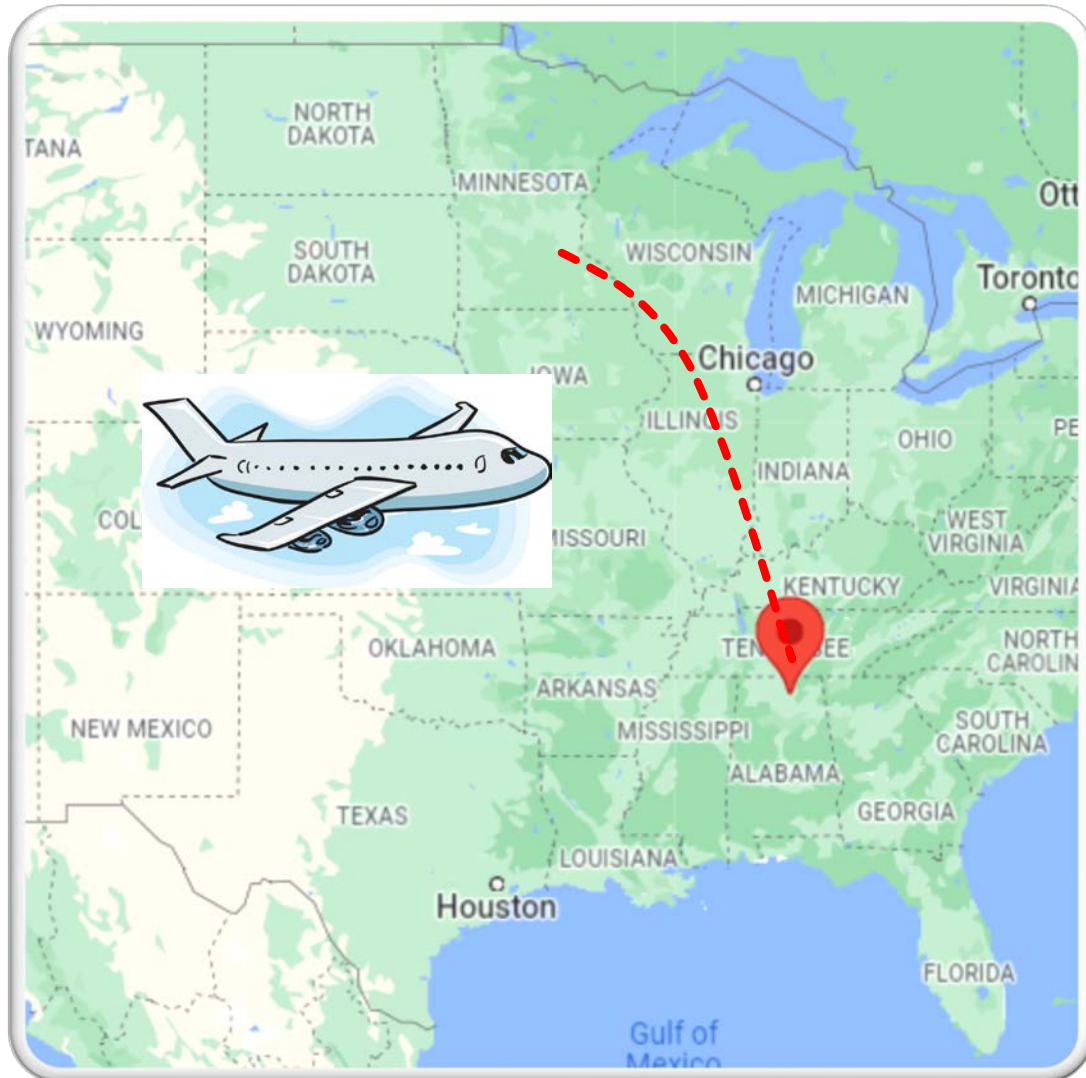

Videos of the Activities

- ▶ Sea Kayaking
- ▶ Backpacking and Mountaineering
- ▶ Rock Climbing
- ▶ Ice Climbing

Space Camp

Programs

- ▶ Space Academy (12-14) or Advanced Space Academy (15-18)
 - ▶ Train like an astronaut on the 1/6th Gravity Chair and the Multi-Axis Trainer.
 - ▶ Design, build and launch a team rocket and safely recover its payload.
 - ▶ Launch on missions to the International Space Station, the moon or Mars.
 - ▶ Put your creative thinking skills to work in our engineering design challenges.
 - ▶ Learn team-building skills on the low or high elements at our Space Camp Challenge Course
 - ▶ Hear the inspiring stories about commercial pioneers like Elon Musk, founder of SpaceX.
 - ▶ Advanced (age 15 to 18):
 - ▶ Experience neutral buoyancy while SCUBA diving in the Underwater Astronaut Trainer!
 - ▶ Test your skills in our Engineering Challenges by constructing a heat shield and building a Rover.
 - ▶ Fly jet aircraft simulators.

Programs

► Aviation Challenge

- Old school astronaut training.
- Fly in a UAV drone simulator to reinforce lessons learned at our static displays and artifacts.
- Master via hands-on aerial combat and compete to be the best of the best in Top Gun.
- Embark on a search and rescue mission to bring a downed pilot back from behind enemy lines while communicating as a team and evading hostile forces.
- Unite as a team at the Space Camp Challenge Course with high- and low ropes elements.
- Brave the 150-foot. zip line*
- Learn wilderness survival skills and orienteering.
- Plan and carry out three missions, each with their own challenges.
